INTERSTATE COMPACT (ICPC) REVIEWS

LFSRM is contracted by the State of Colorado to review all Interstate Compacts for the Placement of Children related to adoptive placements entering Colorado. During Fiscal Year 2023 the program reviewed 166 ICPC placement packets to ensure the safety of children and compliance with applicable laws and regulations.

FOSTER CARE

At LFSRM, we believe there is no such thing as “other people’s kids.” Through our Foster Care Program, we work diligently with our families to support them through the foster process and beyond. We provide skilled, caring substitute families for children unable to live with their birth families.

Foster parents receive training to gain skills on how to responsively support these youth. A case manager is assigned to each family to provide specialized support that helps families navigate the lives of these children.

REFUGEE & ASYLEE

Since 1975 LFSRM Refugee & Asylee Programs have helped people who have been uprooted by persecution and violence work towards self-sufficiency through essential resettlement services, including: housing, employment, English language, and cultural orientation. Some locations have other grant-funded programs .

REFUGEE MICROENTERPRISE DEVELOPMENT (MED)

Our MED program provides training, technical assistance, and loans for Refugees and Asylees to start, maintain, and expand small businesses. The program helps to create refugee owned small businesses, generate jobs, increase incomes, and contribute to the local economy.

IMMIGRATION LEGAL SERVICES

Our Immigration Legal Services expanded and now provides services throughout Colorado, New Mexico, and in Utah with attorneys on staff in Denver, Albuquerque, Las Cruces, and Salt Lake City. The program also provides SRS fingerprinting in Denver, Colorado Springs, Albuquerque, Las Cruces, and Salt Lake City and providing fingerprinting for 76 individuals over the past fiscal year.

The LFSRM Immigration Legal Services team works with individual and families to review immigration history and potential forms of relief. Research shows newcomers with representation fare better at every stage of the immigration process.

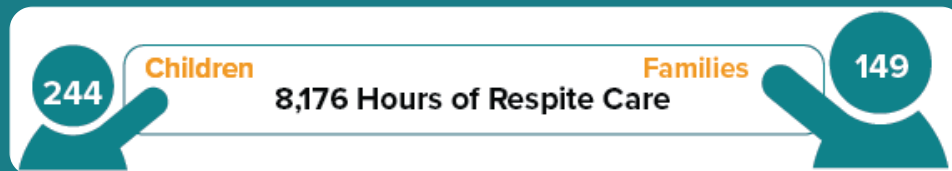

FAMILY SUPPORT AND EDUCATION

Every family has strengths and every family can use support. We believe that every child deserves to grow up in a safe, nurturing environment. Through these programs families gain skills to provide a safe home.

FAMILY SUPPORT PROGRAMS

KPC Respite Center: *Offers temporary crisis and planned childcare for infants and young children in Colorado Springs providing relief and support to parents and guardians.*

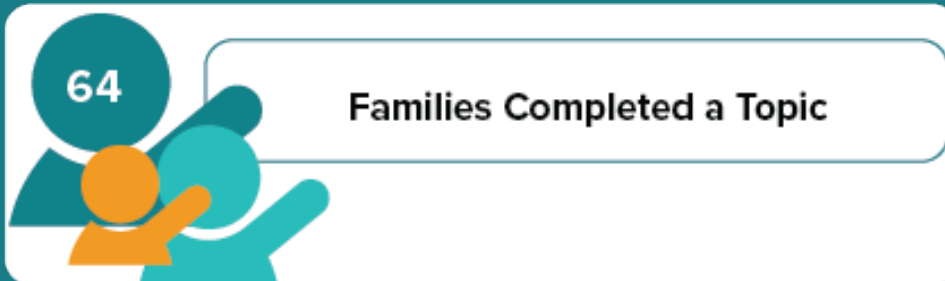

CareHouse: *Provides a comfortable, nurturing environment for families and children to have supervised family time, monitored family time, and safe exchanges in northern Colorado.*

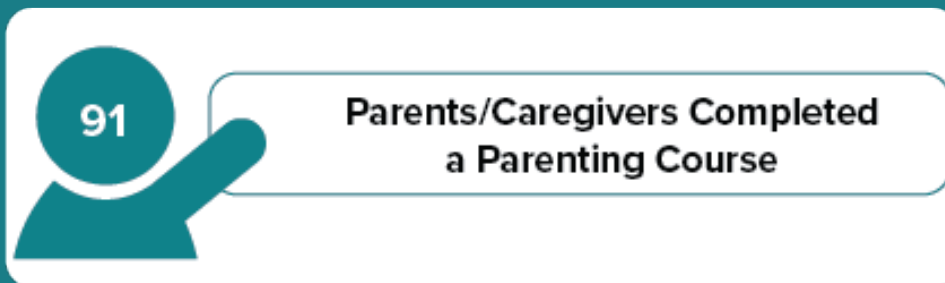

PARENT EDUCATION PROGRAMS

SafeCare Colorado: *Offers in-home, voluntary services that support families in Colorado Springs in gaining skills to provide a safe home, address child health needs, and engage in positive interactions with their children under 5 years.*

Parenting Education: *Provides a number of different classes in Larimer and Weld Counties to teach parents and provide support as they learn parenting skills.*

CHILD/YOUTH EDUCATION & EMPOWERMENT PROGRAMS

SafeTouch Child Safety Class: *This class concentrates on how children and adolescents can protect themselves from any type of abusive or unwanted touch.*

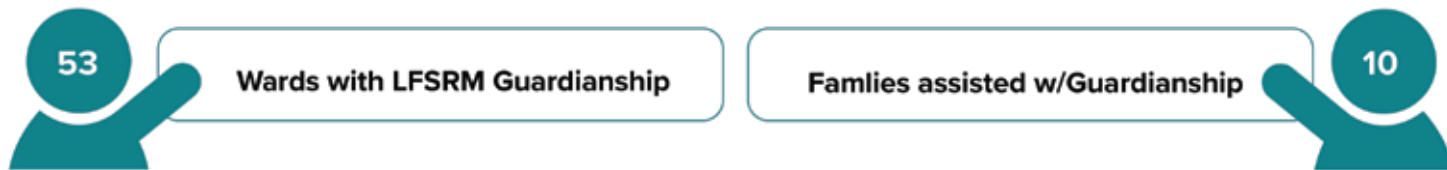

OLDER ADULT PROGRAM

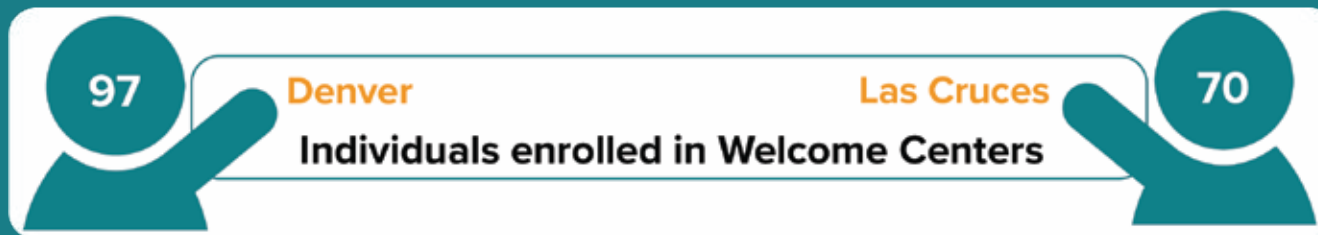

Our Older Adult Program serves unbefriended patients and the facilities that care for them . Unbefriended patients are patients who have no written outline of their care preference and no identified family or friends to assist in medical decision-making when needed.

For patients whose families need assistance petitioning the court to establish guardianship, our team contracts with hospitals to provide support to those families in their efforts of establishing guardianship for their loved ones.

EMERGENCY RELIEF AND SUPPORT

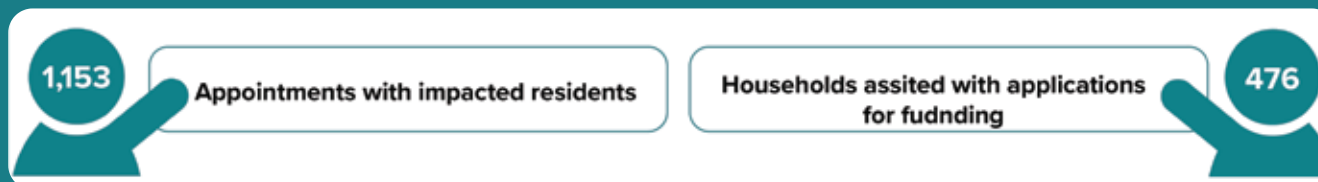

LFSRM provides light-touch case management and resource navigation as well as limited financial assistance to migrants and asylum seekers who arrived in Las Cruces, NM and in Denver, CO. Programs are funded through a mix of LIRS Welcome Center funding and private grants and contributions.

**Does not include light-touch information and referrals.*

DISASTER RELIEF

Disaster Relief began its Marshall Fire Recovery Navigation program in July 2022 to provide Disaster Care Management assistance to residents impacted by the Marshall Fire and Straight Line Wind event. The program offers basic resource referral to any household impacted by the fire or wind event and more intensive services to households needing assistance with developing a recovery plan; applying for available funding for unmet needs, repair or rebuild; advocacy and navigation assistance; language assistance; direct assistance for immediate and urgent unmet needs, and other identified needs.
