

# Refugee Welcome Baskets

Welcome baskets are given to newly arrived refugee families. Welcome Baskets can be accepted in bins **no larger than 20 quarts (16.88" x 11.5" x 9.25")**, **reusable shopping bags, small duffle bags, or small backpacks**. This is for the convenience of our community members who have to carry these items home – usually on public transportation.

The following is a list of items that can be included in the welcome basket. Baskets do not need to contain all of the items on this list. These are basic need items for a family as they begin a new life in a new place. You can purchase items new, pick items up at a thrift store (*gently used*), or gather items from your own home that you no longer need. Please no ripped, stained, soiled or broken items. You can spend as little or as much as you want on a welcome basket, it's up to you! Please do not include food items or any additional items that are not on this list.
