

Home for the Holidays

With your help, LFSRM welcomes newcomers and connects with foster and adoption families during the Thanksgiving holiday.

Many of our families lack practical pots and pans, cooking and serving utensils, and baking supplies needed to cook a holiday meal. This year, our families have asked for kitchen equipment instead of food staples. Below are items most needed by families.

We give thanks this holiday season for your support of the families we serve.

Happy Thanksgiving!

Every family is unique, with different dietary requirements including cultural considerations and dietary restrictions. To better serve our families we are asking for \$50.00 gift cards to area grocery stores so that families can purchase food. This increase in the amount on a gift card reflects the challenges our families are facing with the rising cost of groceries.

Area grocery stores:

King Soopers, Safeway, Walmart

**We ask that all kitchen equipment be new.*
