

Apartment Bin Checklist

Thank you for helping a refugee family by donating an apartment bin. Upon arrival, each refugee and refugee family receives the following basic items and goods. By providing these apartment bins for families, you are helping a family save money: when LFS doesn't get these items donated, we have to purchase them using funds that we would otherwise use for that family's deposit, rent, and utilities.

The following is a list of items that MUST be included in the apartment bin.
Each bin needs to include every item on the list.

Please include only new items from places such as Wal-Mart, the Dollar Tree, Target, etc. Please do not include food items or any additional items that are not on this list. These items should all be placed in the large waste basket so we can easily deliver it to the family's home.
